

UNITED STATES  
District Court  
Northern District  
of Illinois

**FILED**

MAY 17 2018 *ll*

THOMAS G. BRUTON  
CLERK, U.S. DISTRICT COURT

Anthony Hines

v

Kent Elmer, et. al.

Case Number: 17 C3788

Judge Robert W. Gettleman

I, Anthony Hines Herewith Submit Exhibit "R" A DVD  
Containing visual X-rays of the injuries Sustained  
During the Arrest due to excessive Force by CPD officers  
Kent Elmer and Mark Evan on December 21, 2015

In Side these X-rays will be Corroborating Visual Evidence  
that Support the medical Reports that are being Submitted  
as Exhibit A-2 along with grievances/complaints and the  
Police Reports in which the Reporting Officers Admits that  
He Along with CPD Officers Cause bodily Harm

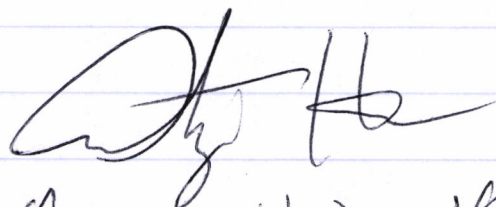

Along with medical records/reports that State that Cook County  
or correction was negligent with giving me medical Attention

In addition I ask that due to the Courts Granting Kristen case's  
motion to Withdraw from my Case, I ask that the Courts please appoint  
me counsel, I also like it to be clear that I do not wish to go  
forward with the Settlement agreement and I wish to continue  
with proving my claim

I would also like to Summon/Subpoena records/reports of disciplinary  
misconduct on behalf of officers Mike Evans And Kent Elmer pertaining to but  
not limited to, perjury, False Arrest, misconduct, and excessive Force

hot 2

I thank you in advance for your help  
I ask that you take in consideration  
that I did request to withdraw from  
plea agreement with my Attorney Kristen  
Case as early as I ~~felt~~ possibly could  
due to my Detention and Incarceration  
at the Dixon Correctional, I'd like the  
Court to be advised that after I had  
the time to consider I and became  
clear minded I discovered that I did  
not want to settle the case with CPD  
all its Officers in ~~the~~ their individual  
capacity again I thank you for your time

05-10-18

Anthony Horis Y21820

P.S I request that you send a letter  
of recognition that you are in receipt of  
of my Request And my DVD/Medical X-Ray's
